Community Foundation for Mississippi Announces Four Contract Positions to Support the Work of the Better Together Commission

Project Lead, Administrative and Grant Support Assistant, Community Engagement Liaison and Communications Concierge Needed

JACKSON, Miss. (March 22, 2018) – The Community Foundation for Mississippi is seeking four contractors to facilitate and support the work of the Better Together Commission for an 18-month project period. Candidates are needed to fill the roles of project lead, administrative and grant support assistant, community engagement liaison, and communications concierge.

Contractors will work with the 15-member, volunteer commission to engage Jackson residents in a community visioning process and facilitate a study of the educational ecosystem in Jackson. This work will result in the development of a comprehensive plan that ensures the academic success of all Jackson Public School District students.

Skilled professionals with excellent verbal and written communication skills, experience in community and political engagement, and a working knowledge of non-profit and/or educational sectors are encouraged to apply.

Applicants may email a letter of interest with a resume or qualifications, two references (one may be personal), and compensation requirements to bettertogether@formississippi.org. The application deadline is Friday, April 6.

For more information about the positions visit formississippi.org.
